## TEMPORARY EVENT FENCING

Durability Meets Elegance with Our Decorative Steel Fence for Events

This sophisticated event fencing system blends functionality with aesthetic appeal. Our decorative steel fencing is portable and light enough to accompany you to various events, while also being durable and sturdy, ensuring longevity.

You won't need any tools for this fencing as each panel is one piece and easily slide onto the foot connectors.

Much like our plastic event fencing, temporary decorative steel fence is ideal for crowd control, athletic events, ceremonies, parades and more! Also available in black!

Carts and kits are available, too! Call (800) 448-2647 to speak with a product specialist about our decorative steel fence or any other product, today!
